Address and access information	15 min walk from Sumpu Castle Park. * Details will be given after application acceptance.
About our nedoco	We use the temple's hall located in the center of the city for "nedoco". First, relax at the nostalgic public bath. Then let's talk about the theater festival while eating delicious Shizuoka Oden. The next morning, let's refresh with cleaning the temple grounds together. You can sightsee very easily because this temple is close to the city.
